

## Who we are

Oktopus is a modern language school in Bratislava that offers its clients comfort and simplicity in learning internationally recognized languages. Our priority is to teach the language simply and based on the individual requirements of each client. In addition, we teach using our unique, intuitive 'Okto' method, in which you simply combine words and phrases with those you already have in your vocabulary, so you don't have to worry about learning words by heart.

## Our offer

Oktopus offers teaching of the most popular foreign languages individually and in groups, at all levels from beginners to advanced learners and in various age categories.

In addition, we translate and interpret from and into English, German, Spanish, Polish and Slovak.
